“ I just wanted to thank Marvin for doing such a great job for my dad Service And everyone else that was involved in the service my Dad would have been proud. My wife Janie Rucker and I Gary Rucker was the caregivers for my dad for 6 years or so, I personally will miss his funny sense of humor,he was my hero and mentor I always told when I grow up in want to be just like him. We were by his side till the Lord called him Home I'm going to miss hunting and fishing buddy. Pam bullock and Lori Fuentes helped Janie and I when they could it was greatly appreciated. Love you Dad and I will always miss you.

“ Some of my fondest memories in childhood are of my daddy, Kenneth Robinson, Melvin Prescott, and Mr Dean sitting around the table drinking coffee and talking and visiting. Telling me and my sister they would dance at our wedding if we refilled their coffee cups. Dean and his wife Juanita were there for my High School Graduation, my wedding, and the birth of my first child, and I will always cherish these memories. I hope Heaven has a full pot of coffee for these fellas!

“ Oh yes. We would take him to the cemetery to visit mom's grave and he would tell her to get the coffee ready because he would see her soon.
