“ Era and Wayne Berrier were respected and well thought of citizens of Madisonville, and both leave a Legacy of being faithful christians in the First Baptist Church and the community. That's the life we all should strive to live daily and serve as model citizens in every environment in which we live. David you were blessed to have them as parents and role models. They surely will be missed in this life, however as believers we have the assurance that we will see them again when the Lord Jesus returns.

God Bless you until that time!

“ Ms. Era was my first Sunday School teacher at Richey Street Baptist Church in Pasadena. Great love for this sweet lady. David and Britt, you are in my prayers.

“ Ms. Era, was such a precious lady. She was one who showed Christ's love by serving others. When I was a young mother I remember she and Vera and Ms. Bullard coming to our house and to bring a hand knitted afghan blanket to each of our babies. They also stayed and visited. This was so encouraging to me as a young mother to think these sweet ladies took time to make these beautiful blankets. I also remember her being a great cook. I have a recipe with her name on it, (a chocolate chip pie) that she made that was delicious. She loved giving and serving and was a Godly example to the younger women in our church. Her life was a beautiful life "Well Lived".
