A girl named EUNICE ESTELL, the youngest of 11 children, was born on July 6, 1919 in Leon County, TX to John Reuben Holley and Anna Rebecca Horn Holley. She was an extraordinary academic scholar and received her high school diploma at age 16. With a passion for education and engaging young minds, she pursued a career focused on elementary education and received her Teacher's Certificate from Mary Allen College in Crockett, TX at age 18. Later, she received her Bachelor and Master Degrees in Elementary Education from Samuel Huston College (now known as Huston Tillotson University in Austin, TX and Texas Southern University in Houston, TX respectively). Eunice proudly boasted of teaching for four generations during a professional career which spanned 40 years in Leon and Madison Counties, TX.

Eunice met and later married Hallie House, her childhood sweetheart. Although this union produced no children, the couple was happily married for nearly 30 years. She is survived by a brother-in-law, Henry L. House and his wife Mordester House (Madisonville, TX) and a step granddaughter, Diana House (Houston, TX).
