“ My Aunt Gayle was a sweet person and a kind soul. She always sent Birthday cards and Christmas cards signed by her and Uncle Buddy to my entire family every year. It was an amazing feat with five in our family. I will always remember her bright eyes and shining smile, always happy to see you, always offering her home for family gatherings and meals. She loved her family, cherished time with her friends and looked forward going to the salon to have her hair done. She always looked so pretty. I never heard her speak badly of anybody, ever. It was always a treat to be at her home and see all of her beautiful plates and dishes she loved to collect. She will be sorely missed, but I know she is in a better place playing cards with her dear friends. Somewhere in the night sky a new star has lit up and I know she's smiling down upon us. We love you Aunt Gayle.

“ I grew up with Gayle Barrett. She was my cousin on my mother's side of the family. There were 10 of us that spent a lot of time together at our grandparent's house in Glen Flora every summer and we had a wonderful time playing, swimming and eating together. I remember Gayle as a beautiful person, inside and out. She was so much fun to be with, so kind and considerate and she was very smart. She was a wonderful person, and I will miss her very much.
