“ Pat will always have a special place in my heart. I have so many joyful memories from my childhood of her, Joe, Mandy, and Miriam. They were like a second family, and I remember Pat always cooking delicious food, and taking care of her flowers, but most of all, always welcoming me into their home. I adored her - she was an amazing, beautiful, lovely lady. Praying for peace and comfort for the family during this time.

“ Lindsey Family- We were so sorry to hear about the death of Patti. We have many fond memories having lived next door to your grandfather and often seeing family members there when we first moved to Madisonville in 1972. Our thoughts and prayers are with you.
