“ Richey and I first met Tony and Yvonne the exact same day as we both looked for property along with the realtor. That was 20 years ago. We ended up with homes next door to each other in Elwood where Richey and I lived for 4 years before moving to Hwy 75 and the Leago's home was a weekend home until they moved to their permanent home on OSR. This Christian family was a blessing to us and we thought so much of both of them. I pray for Yvonne and her family at this very hard time in their lives. I truly believe that Tony made a difference in this world and that he lived his faith - shining the light of Christ in all that he did. He will be very missed!
