“ April was a precious and beautiful person inside and out! She loved God with her whole heart. As a friend I never saw her angry or heard her utter an off color statement about anyone. She was a very bright spot in our world and will be missed! My husband and I will be praying for you Connor and your whole family. You can count on that!! Love, Nancy (Richie) Earp.

“ I have so many memories of April, since we grew up together in school and church. I have to say that they are all special to me because of the sweet, kind, quiet friend she always was. I'm so blessed to have had a friend like April. Even though we didn't see each other very often over the years, we always felt just as close as we did when we were together all the time. I will cherish that kind of friendship forever. I will always love you April!! Till we meet again!💖

April was a wonderful, loving person who always had a smile. Even through all the pain she endured. I loved the times we had when our boys played baseball together & will always cherish those memories. She will be missed by everyone who had the privilege of knowing her. A true friend, there aren't many like her. Love you April, Lonnie & BJ.
