“ *Cleo, Marion and Scooter,*

We are so sad to learn of Glenn passing away. I will never forget how generous all of you were after our house flooded in 1979 and you took us in. Glenn worked as hard as we did to get the furniture up and dry, the wet carpet out...until he saw a snake! He bailed out of the house so fast, plowing down anyone in his way. It made no difference to him that the snake was plastic! After all, there were only two kinds of snakes to Glen, Pythons and Rattlesnakes!

We loved living next door to your family and if we cannot be at the service on Tuesday, we will be there in spirit, through our thoughts and prayers for peace and healing for all of you.

*Best regards,
Linda and John Morriss*

“ *So sorry for your loss. I know you will miss him. I will always remember Glenn cooking at family reunions in Livingston. I know he was proud of his family. Hope your good memories will give you some comfort in the days ahead.*
