“ *To the most wonderful brother a sister could ever ask for, I am soo gonna miss u. Our talks, texts, and snapchats I am gonna be lost without. The time we spent was so precious and special to me, I will hold onto those memories with all that I have in me. My life without u will be so emptying and lost don't know what I'm gonna do little brother. I know u r in a better place with mom, no more suffering or pain for either one of u. So with so much sadness and grief I bid u farewell, until we meet again my precious. I luv u to the moon and back. May u RIP my luv, my hero.*
