“ When we moved to aldine back in 67, the Harrisons was the first family we got to know. Those we went to school with were Richard, Cheryl, Terry and victor. There was a close bond with our two families. We became like brothers and sisters. We stayed in touch and visited each other even when they moved to new caney. Cheryl would come over and talk to my mother and dad all the time and hang out with the rest of us. We had some fun times throughout our gatherings. Cheryl loved the times when we could get together. I lost my sister a couple of years ago now i lost another sister . We'll miss her laughter and her way to make you feel that she surely cares and the love she had for the people she was around. Me and audrey will miss talking to her. May the lord give her the peace that she deserves and we will all see her soon in our father's kingdom.

“ Cheryl and I meet under strange circumstances, to say the least. We should have never got along but we did. Our families meshed together. Her kids call me Aunt of wish I am proud of. She will be missed by a lot of people. My thoughts and prayers are with you .

“ *You were an awesome big sister. I loved our summers when we were little and you watched us 6 kids during the summer like it was no big deal. Going to New Caney for weeks at a time and playing in the back yard, taking pictures (we shouldn't have taken), and watching cartoons was so much fun. I will always cherish those memories. Thank you for always remaining in our family through all the hard times. I love you always sister. Until we meet again.*
