“ She was a dear friend of mine. Sissy Baby and my daughter Nancy would love to play together. Her Sister Lois and I were great friends and she would take care of us in our teen years. She helped me out a lot when I was having my son Calvin too. She took me walking with her through the day before he was born and kept Nancy for me when I had to go to hospital to have him . She was a really great friend to have a such a sweet person . She will be missed by all that knew her. Prayers to each of you

I have so many memories of her. She & Mama kinda grossed me out with their chocolate cake with pinto beans. Loved her very much.

Mamma Cobb was like a second mom when I was a child. We spent endless time with her and Pappa Cobb. You will certainly be missed. I will always look at my four o'clocks and catalpa tree and remember you. A little bit of you from home ❤️. RIP Momma Cobb
