“ *If there ever was a angel here on earth , she was one. Now she has her wings. She opened her home and heart to me almost 6 years ago and never failed to be there for me if I needed her. I will forever be grateful and miss her tremendously. Fly high Miss Jean. Your love will live forever in your children, grandchildren and great grandchildren that you loved so much. She always told me " people can say anything they want about me but don't mess with my kids. My Scotch Irish temper will come out". Luckily I never had to see it. Rest in Paradise sweet lady*
