I'm not mentioned in the obit, but I am the one surviving member of Monroe's family... Glenn Diehl. Much of my adult life was spent on the west coast. Moving back to Texas with my wife, Sarah Kazuko, in 2019, we were able to visit Monroe and Margaret every six months. It was time well spent as we reminisced our growing up days and the many years that had gone by since we were children. Having lost my parents, my brother David, my twin sister Glenda, and now Monroe, I have many moments of sadness as they pass through my mind on daily occurrences. I miss you all. I love you all. Glenn
