“ Joe, Sabrina and Tommy Joe,
It was an absolute honor to have met Jodi, as well as the rest of the family, in May! We shared lots of memories as we looked at numerous photos and laughed as we recounted funny family memories. On the day Jodi passed, there was so much that I wanted to say to her. I wanted to thank her again for raising such an awesome daughter that is now part of our family. I wanted to thank her for being so welcoming to our family. I wanted to thank her for being able to have fun, despite her illness. Case will never, ever forget the wheelchair rides around the church on the day of the rehearsal. The smile on his face and Jodi's truly brought joy to my heart. I wish we could be there for her celebration of life service. Our thoughts and prayers are with you all today and in the days ahead. Jodi will live on in our family in a very real way through Sabrina. She will never be forgotten. We love you all!

“ Jodie is such a treasure to me. So funny, so honest sooo generous .
I will live in gratitude for the rest of my life for her. The greatest mystery is how she had the ability to do for people and serve her church in her condition all these years. Amazing. I love her so much and will try to be stronger because of her example.
