“ I first met John in 1979. He came on as a party chief where I worked as a land surveyor. John was a quirky, different sort and I liked him a lot. He was completely consumed with the practice of land surveying and he was the best around. John was very likable. I admired his knowledge of the industry and I credit him to this day as my mentor. I am sorry that he is gone and he will be missed.

“ Mr. John was a one of a kind man. He was one of my very good friends. I have worked with him on many, many surveys and problems with land titles in Madison County, when I worked for my father, Boyd Bailey, and now when I work for the Appraisal District. And have learned that John is about the most intelligent man I know. He will be missed by a whole lot of people, and me too.

Hugs to all the family!
