“ Loved working for your dad Julie. Once when I kept having a weird issue and no Dr seemed to be able to help I asked "which Dr should I go see". He told me "Dr Posey". That was the vet. We laughed and laughed. No clue why I happened upon this, good memories.

Michele I just now saw this, I'm sorry I didn't respond sooner. That's a wonderful story and thank you for sharing. He could have a really good sense of humor.
