“ God really blessed me when he brought Kari into my life. She was so loving, kind, and courageous. My heart is aching, but I know she is in a better place. I am excited to know that one day I will see her again in Heaven. It comforts me to know that now she is smiling, dancing, singing, and in perfect health. She is feeling a love that we cannot imagine here in our world. Juan and Hayleigh, you remain in my prayers and know that I am only a phone call away if you need me for anything. Rest in peace sweet Kari. You will forever remain in my heart.

“ Kari was one of the most selfless sweetest and funnest person I know! She Loved her Daughter and Husband more than anything. When Kari saw how much my daughter loved horses she secretly made her a beautiful shirt that she gave her at cheer practice. If you could have saw the smile she brought to my daughter's face. She sure was and always will be someone so special not only to me and Asiah but to countless others. We were joined as family the moment our daughters first cheered together. I wish I could have shown Kari just how special she was to ALL of us. She will forever be in our hearts. We are Bulldog Strong. Hayleigh and Jaun whatever you need EVER we are here for you!! Hayleigh will always have her Bulldog sisters. Always. Rest easy and fly high now Angel. Your work here is done. Love always Emili and Asiah
