“ I will miss this fine lady on Sunday mornings, but knowing she is with our Lord helps takes away the sting off our lose.

“ Kathryn was absolutely one of the SWEETEST Ladies anyone could ever meet. I worked with her daughter Dianne for many years and then with Kathryn even longer. She was kind of like our "adopted" Momma! She always had a listening ear to those of us who needed one and was just always "there for you" if you know what I mean. I hope that Robert, you and your kids, grand and great grand kids will get together often and visit and remember Kathryn and all of the good times you all had.

“ Kathryn was our Sunday School Secretary at Elwood. She was such a faithful member and always had a smile on her face. She had a dry sense of humor and not too many Sundays ago she commented to me saying that if she knew she was going to live this long she would have taken better care of herself. We both had a good laugh. I will truly miss Kathryn!
