“ Lillie Andrus was more than a friend to me. She was a sister. She helped me through the loss of my husband and my son which were the darkest , and most painful times of my life. When I miscarried my last child it was Lillie who took me to the dr and stayed with me through the whole ordeal. She suffered many losses and illnesses in her own life and I believe this is why she was filled with so much compassion for others who were in need or hurting. I knew her for over fifty years and I knew her to be a strong and faithful servant of The Lord Jesus Christ. Always striving to keep the word of God and sharing that word with others. Lillie raised five strong and beautiful children although loosing a daughter at five years old to an auto accident, and several miscarriages, she gathered her heart and her faith in God and finished raising four strong, kind-hearted, loving children who loved their mother with all their hearts and during the last days of her life, her children were all by her side. Lillie never turned anyone away who had a need or was hungry. She loved people and everyone knew it. My sister Lillie was educated, but down to earth, she had a brilliant mind but never boastful. She was articulate and purposeful in her communication with people and when she left you, she left you feeling better than you did before. Lillie didn't have a stingy bone in her body but always put others needs before her own. However, she was no push over by any means. If you were there to cause trouble she knew how to take care of herself. I will miss her very much but like so many, she left me many words of wisdom to have and share again to others. I know she is with The Lord now and we will see her again. I love you Lillie~ Always and forever my beautiful sister~~~~

“ *Oh my how do I start.... SHE WAS ONE OF A KIND! LIL took me in I'm one of the lowest times of my life, I was 21 and pregnant, seperated from my then hudson. She took Great care of me, taking me to Church, feeding me. We had some long talks at her kitchen table about men, she was honest about her life! Two things she told me that I will Never Forget..... Never Pray for patience, because you will be tested and that Dirt washes off in the shower, so don't sweat the small stuff, let the kids get in the mud, you can clean it later!!!! Love You Aunt Lil!*

“ *Lil is the most beautiful person I have ever had the privilege to know. Ann, Becky, David and Bubba and all you precious grandkids thank you all for sharing your Mother (Granny) with me. I and countless others are blessed by her living example of Jesus. My life is forever better for her unconditional love and pointing me to Jesus. I saw her live it and I saw healing and miracles because of her living the Bible. No words can express the love and beautiful friendship she gave to me which I will treasure forever. She was like my second Mother and spiritual mentor. The crown she will cast at Jesus feet will have numerous souls she has won to Christ. Many prayers she prayed for all of us and you must know God's word does not return void as she pointed out. Lil loved everyone unconditionally and saw the good and knew that God has the best plan for all of us. So let us all honor her by lining our life according to God's word just as she prayed daily.*

Lil believed God's word as the final authority no matter what things looked like.(Such great Faith that I ever witnessed) All of her children and grandchildren are her treasures and I am excited to see the fruit of her prayers for each of you come to pass! There are not enough words to express the wonderful things about our Lil. As she always said she is totally healed and we can see her again. I sure want to, how about you? We love you Lil and will miss you terribly here on earth. Thank you God for Lil and that she is totally healed and walking the streets of gold praising Jesus and swimming in that crystal sea. I believe she received a standing ovation in Heaven!!! I pray for God to just surround you with His presence and comfort that only He can give you at this time. I love all of you!
