“ *My life and the lives of Mike and Linda crossed many years ago. We were so young. That's how I've always thought of her. That's how I always will.*

“ *We called "Mama Jack" for a reason...she loved us hard, loved us tough, but ALWAYS loved us and was quick to tell us to "shut up and put your big girls drawers on" when we were being whiny and feeling sorry for ourselves. I can't even begin to convey the sorrow and sadness overwhelming me, knowing we will all have to go from today to our own deaths without her, breaks my heart. Mama Jack, I love you and will miss you until we are all together again.*

“ Linda was the rock of her family--.wife;, loving daughter of my dearest friend, Maxine; wonderful mother to Derek, for Nina, the best ever mother-in-law, and for Morgan and Caitlain, a grandmother with a heart full of love.

Her always smiling face and kindness will be missed by all who had the good fortune to have known her.
