“ I still can't believe you aren't here anymore. I remember all of our childhood days and miss them so much cuzzy. I miss spending the night and going out and about playing or riding bikes. Being silly together and just making the best memories ever! That's all I have left is memories. I can't find our pics anywhere and it kills me. I know you are loving it up peacefully in Heaven with your PawPaw & everyone else. Y'all save my spot. ❤️
