“ Aunt Marie demonstrated her care for others by her sacrificial willingness to serve others. She was a blessing to everyone and she was one of the finest people I've ever known. She was loyal, down to earth and led by example. Her Christian faith was the most important thing in her life. My heart goes out to Danny, Lyle and all the others in the family as we grieve her death. We know that Aunt Marie has graduated to heaven but we miss her impact on our daily life.

“ We met Marie back in the 80's. We met her and Leonard through Charles and Nancy Newbold of Tennessee and Bill and Marge Shipman of New York at that time. They spent the weekend with us in North Carolina, but at that time lived in the Washington, D.C. area. She was one special lady. We will always cherish the memories. “ I want to also commend Day Funeral Home--They have been almost like part of the family over the years. They did the service & burial of my Dad, Alfred (Junior) E. Springer III in 1946, After that, they handled my maternal Grandfather, John Andrew Knight, and my grandmother, Minnie Lee (Reynolds) Knight, Graveside for my mother, W. Lorene (Knight-Springer) Hutson. They did the graveside for my brother-in-law, Travis Scott (Scotty) Denson, and My step-dad, Travis Hutson. All of these are buried in Alphin Cemetery.

“ I remember when Marie came to Gilmer (Grice Community) in the early 50's to visit with us. She saw me riding a bicycle and wondered if I might could teach her how. After a few rounds in the yard and around the house, she wondered if there might be other courses just a bit more challenging. She started down the hill below the house (dirt road) but quickly got to excited to remember how to apply the brakes. I ran as fast as I could, catching hold of the back of the seat, but the gravel kept rolling under my tennis shoes. Reminding her constantly how to apply the brakes and me hanging on, we got it stopped just before the road made a slight turn into the bridge across White Oak creek. --- A memorable occasion. I thought the world of her. I am 75 now, so I guess that I was 11 years younger than she at that time. The last time I saw her, I asked her if she was ready to go bicycling to which she said a most emphatic NO!

“ My beautiful Aunt Maire is in heaven with her Lord and Savoir. When I (Carolyn Greer Smith the oldest cousin) was born, she was my first roommate. She lived with my parents (Sunshine Reynolds Greer and Roy Greer) while going to college at Sam Houston. My father would tell me to call her boyfriends, Uncle! She was always fuming when he teased her like that.

She shared with me she thought no one loved me more than her, but later after having her sons, she understood the difference between an aunt's love and a mother's love. She was a nurturing and loving mother, grandmother, and great-grandmother. Her sons, Daniel and Lyle, were her world. She was very proud of them. Aunt E always asked me to pray for them, and I did. She wanted God's best for them.

A few years after she married and had children, she moved to Austin where we lived. Our families shared a two-story home on West 6th. I was 10 years old. A couple of years later she moved away. Aunt E and I never lost our close bond... distance and time never changed our love. It was something special.

As years passed by I was in Shreveport, and after her retirement, Aunt E accepted a job as a teacher at my work, Evangel Christian Academy. She taught my niece, Kittie. As a matter of fact, she taught hundreds of children including her nieces, nephews, and sons. She touched so many lives by her love but always made people laugh with her wit. It was fun having her near me during that season of life. We prayed and shared our walk with the Lord. She loved God with all of her soul and might.

She was very close to her 13 brothers and sisters. They were always on an adventure... all of them. They shared laughter, love, and joy with each other whenever they got together. There are so many stories about her life I could go on and on. My aunt showed her love by giving and doing for others. She knew God was love and she was love.

I love you, Aunt E... always and always... until we meet again in Glory.

“ Loved having her as my 3rd grade teacher and then would always enjoy our visits in town when seeing each other in the stores.

“ Mrs. Longer was the most wonderful third grade teacher. She made learning exciting and fun and I never wanted to miss school. I still remember her bringing in artists to learn how to paint, dressing up like an astronaut and falling in love with Science. I'm now a science teacher and I know she was a big part of that becoming my career because of the passion she ignited in me for science. You are dearly missed.
