Becky; was a safe haven, a giving tree, her family's mighty oak of righteousness – known for her outward beauty, but her greatest gifts were on

the inside - love, generosity, and strength.

Rebecca shared her spiritual gifts of wisdom and selfless generosity to everyone that knew her. She was an upbeat person. Even as a child, no matter what the circumstance, she would find the good in everything. She loved shedding God's light and love to everyone she met, especially her beloved husband, her 3 children, her 5 grandchildren, whom she delighted in and doted on. In Becky's presence, you could feel the friendly warmth and loving grace of Jesus Christ.

Becky was a fabulous self-taught pianist. She played piano and organ at her church Ellwood Baptist, where she was a devoted member for many years. She enjoyed God's creation and spent much time tending her gardens and raising her chickens. She loved learning and reading, and she was exceptionally bright and witty. Becky loved spending her time with her family. She always enjoyed sharing her advice and memories of her childhood. She was eager for all of them to know their roots and where their joy would come from, Jesus. She never missed an event, a play, dance recital, or a football game, she especially loved all the Reynolds family get-togethers. Becky has always been our encourager, a listening ear, a cheerful giver, and prayer warrior. She stood firmly upon the solid foundation of Jesus Christ, all the days of her life, and she left a beautiful example of a Proverbs 31 woman.

She and her husband were entrepreneurs for many years. They owned gas stations and tire stores in Madisonville and Midway. Always eager to help the family, community, and church. Though Rebecca spent the last years of her life fighting a rare brain disease, she will be remembered for the lively, upbeat, funny, sassy, gorgeous woman that she was. She often said jokingly, "looks were never my problem". She was a light for sure. She will be greatly missed by all of those who adored her, and that's a very lengthy list of family and friends.

Visitation will be at Day Funeral home, August 6 from 5–7 pm, and the celebration of her life will be officiated by her nephew Jody Slaughter at Ellwood Baptist Church; August 7, 2021, at 10am, Day Funeral Home has been entrusted with the arrangements.

“ Since I grew up in Madison County and attended school in Madisonville Public Schools from 1944-1955, I had the acquaintance of several members of the Reynolds Family, and Grace was in our 1955 graduating Class. I valued the friendship of all members of the Reynolds Family and recognize the many contributions they made to our local community and the surrounding area. Then in January 1963 I was hired as Agriculture Teacher at MHS following the passing of E. N. Trant. It just so happened that Becky Reynolds was the FFA Chapter Sweetheart. I remember that the Sam Houston District FFA Banquet was being held in Huntsville in February. On that day as FFA members were gathering at the High School, a young man driving a new Ford Thunderbird drove up to see Becky Reynolds. It just happened to be Jim Harrell who was Becky's feller. In future years, I had the privilege of teaching George, Buddy, and G.G. in Agriculture Classes. In these many years, the Reynolds Families have occupied a special place in the life and well being of the Colvin and Sandra Walker Family. We just want you to know that your are in our thoughts and prayers through the loss of Becky. God Bless. Colvin and Sandra Walker
