“ *I've adored Roxanne since she was a little girl. She stayed at my mother's daycare. She was such a beautiful blonde happy child. She had a beaming personality. I loved her as did my mother, Rita. I will miss her but I am so thrilled her suffering is over. She is healed and whole once again. I know my mother was there when she entered the gates of Heaven. Love you sweet lady! Rest well...until we meet again!*
