“ The heavens have received another Angel. I'm so thankful for the great memories we shared spending time together at Mamaw & Papaw's house playing and having fun. I remember your mom of course fixing our hair the same, playing in the living room, EASTER ETC. Such good times for us all, what a blessing to have been able to spend quality time with you. I miss you and that special smile of yours. Love you always. Donna Moore

“ When you were a little girl, we called you a princess. You had that beautiful blonde hair that your Mom always had fixed perfectly with a big bow. You were dearly loved and will be greatly missed. I know you are with your grandmothers now. One day we will all be together again. Fly High!

Shonda I remember the day you were born. You were the cutest baby and always had a great big smile. You had the most beautiful curly hair and Jenny always had the perfect outfit and bows to match. You were and will always be your dads little girl and he loved you so much. We will all miss your but will see you again one day. Fly Hi ❤️

When I first saw you was at the FNB and you were probably about two. Your. Mom was trying to make a deposit at the drive thru and you were climbing back and forth on the seats and then "trying to help"! Over the years I saw you grow into such a pretty girl. Then your dad and later met and married. We had our ups and downs but in the later years became friends. I know we will see each other one day but in the meantime we can remember the good times. Love Ya -Karen
