“ *Tommie, the most beautiful and graceful woman I was blessed to know. She was an honored and respected family friend of the Carranza's from New Waverly, TX. I will never forget how her loving husband would whirl her around dancing in on New Years Eve dances. You will be truly missed but we will keep you always in our hearts by memory and prayer.*

To her loving family - I am so sorry for not attending services as I just found out about your loss on Sunday, November 5th.

“ *I will always remember her sweetest smile, her soft spoken nature, her beautiful soft laugh, and her big, big heart. I remember my Dad often taking us to visit his cousins when we were kids, and how we loved and looked forward to our visits, even though we were very shy kids. We loved her and the family very much. It was my great privilege to know this beautiful, loving woman. I'll always think of her as "Aunt Tommie, the sweetest lady". I'm so sad she's gone from us, but I know I'll see her once again in God's Kingdom.*
