“ *We love our Uncle Travis so much. This is a favorite memory of mine when he taught his great niece and nephew to ride Star. I think his smile was as big as theirs.*

“ *Travis was a great man, I first met him and Mrs. Julie when I worked at Key Energy, my first year there at Christmas time because it was so slow we played uno. He let my family ride his horse Star and I will never forget the first time him and Mrs. Julie got to meet Kade. You will be greatly missed and the world will be a little sadder with out you in it.*
