“ *I'm sorry you left so soon, I prayed someday you would give us the chance to know you. Though you didn't share your life with us, you have left a hole in our hearts.* ”

“ *I am so appreciate for the love you shared withus all these years and for Hapinessyou gave my brother all thses years . My Wednesday mornings will never be the same nor my runs to Mcdonalds or Tacobell neither . You have always expressed the love for your family even though it wasn't seen by all . I always hoped there would be plenty of time but life didn't see it that way . We will all miss you greatly and hope our future will be bright again when we meet again* ”

“ Vicki, the love of my life, I'm so lost without you. You were my soul mate, my other half. You took my breath away when we met for the first time and now I can hardly breath without you.... You will always be in my heart and I'll be counting every second until I see you again my love. I know you've always said that you wanted to be only a part of my world when I said you were my world but I understand now that you couldnt because it was shared with all your loving family and friends...Just know you are greatly loved and missed....F.N.A.
