“ So sorry for the Wakefield Family's loss. I worked in the same office with Larry at TDCJ-Ferguson. He was a caring & devoted counselor, with the inmates & his coworkers. Larry, always made time to listen to our concerns about our job. He always enjoyed when I brought pecans from my pecan trees to work, he loved cracking & eating them. After we retired I took him bags of pecans and hung them on there fence. He always new who put them there. He would call & thank me or he would bring me a batch of peanut brittle that him and Jane had made, to thank me. He was a sweet, caring person, he will be deeply missed. Our prayers are with his family.
