“ I will forever remember the close friendship that you and Stella shared with my parents. I'm sure you have all united again before the throne of God, singing the praises to him that you so loved to sing here on earth. We will see you again on the day that we join you there. Always in our hearts and memories.

Willie, We miss you. We miss calling you daily. Missed seeing you while we were in Madisonville. We'll miss not coming down to see you several times yearly. Knowing you since I was nine years old...well, we've traveled life's roads of different curves thrown at us together. Carlos told us how you called and asked him to pray for your grandson Daniel when he had the airplane crash. That sounded just like you. You were always saying we have to pray for one another. That's the reason for the praying hands we asked for on your earthly monument. You are with the Lord now, safe forever. No more pain. Your forever friend Pastor Lon has been a blessing to us. Day Funeral has been so compassionate. Enjoy Heaven and our Lord until He reunites us all ❤️
